

EZRoster for Immacolata Athletic Association

www.ezrosters.com/stl-immac

From the Main Menu users can navigate to the various information. It will also display any key IAA information that needs to be communicated.

News menu

This menu will contain a main Immacolata section and one for each sport.

Information that applies to the entire IAA, such as meeting announcements, or to a particular sport, such as playoff information, will be posted here. Some sections, especially the Immacolata section, contain links to other websites such as the main CYC website.

Contacts menu

This menu contains the listing of current IAA board members, Lay Directors and Administrative staff.

Admin

This is the menu for coaches and the IAA administration to log onto EZRoster for advance use.

User names and passwords for each sport:

User Name:

Password:

CONTACT LAY DIRECTOR IF USER NAME AND PASSWORD ARE NEEDED

Only information for that sport will be available.

Once logged in through **Admin**, a window with several sections opens.

Edit options will take you to a directory of names, phone numbers and addresses for all families currently registered for whichever sport you are viewing.

Rosters offers the **Teams** section which lists all players currently assigned to a team.

Team Info links the user back to the section that contains information specific to a team only, such as game schedules.

Team E-Mail provides a quick way to send an e-mail to all or selected players of a team. Type in your e-mail address in **From**, type in your subject and message then select **All** to send to everyone listed. Or, check the boxes of just the intended recipients.

Reports options offers another listing of the IAA **Organization** members.

Coaches option offers a directory of names, phone numbers and addresses for all current coaches for whichever sport you are viewing.

Roster offers a directory of names, phone numbers and addresses for all players currently registered to each team for whichever sport you are viewing.

CYC Roster offers a more advanced and printable directory of names, jersey numbers, birth dates, schools, phone numbers and addresses for all players currently registered to each team for whichever sport you are viewing and is used for official CYC Roster submission.

NOTE: If you have questions or are having a technical issue with EZRoster, please contact Suzie Beachem sbclinique@charter.net or Tom Kiehl Tom.Kiehl@nsi1919.com
